Early Intervention Pre-Kindergarten (EI-PreK)

Every child grows differently. Our Early Intervention Pre-Kindergarten (EI-PreK) provides specialized support for "little learners who need a little more" with communication, following directions, or social-emotional development. Available at Calmar Elementary, École Bellevue, École Corinthia Park, Linsford Park, Robina Baker, and Thorsby Elementary, our program helps children build the confidence and skills needed to thrive. Children may qualify as early as two years and eight months old (by August 31) if they meet eligibility criteria. Let us partner with you to give your child a strong start. Visit www.blackgold.ca/pre-kindergarten to learn about our Alberta Education funded programming today; please return on August 24 to begin our free intake and screening process as we partner with your family for a strong start to school.

English as an Additional Language (EAL) Junior Kindergarten:

Every child grows differently. Our English as an Additional Language (EAL) Junior Kindergarten is a social, play-based program for children whose main language at home is not English. Led by a certified teacher and an Educational Assistant, this program focuses on increasing vocabulary through play and building communication skills in a happy, supportive environment. Offered at École Dansereau Meadows School (Beaumont) and Willow Park School (Leduc), children may qualify as early as three years and eight months old (by August 31) if they meet eligibility criteria. We celebrate the diverse cultures our families bring to the classroom! Visit <https://www.blackgold.ca/esl-junior-kindergarten> today to learn about our Alberta Education funded EAL programming; please return to the site on August 24 to begin our free intake and screening process as we partner with your family for a strong start to school.
